# Set Up Your Computer First
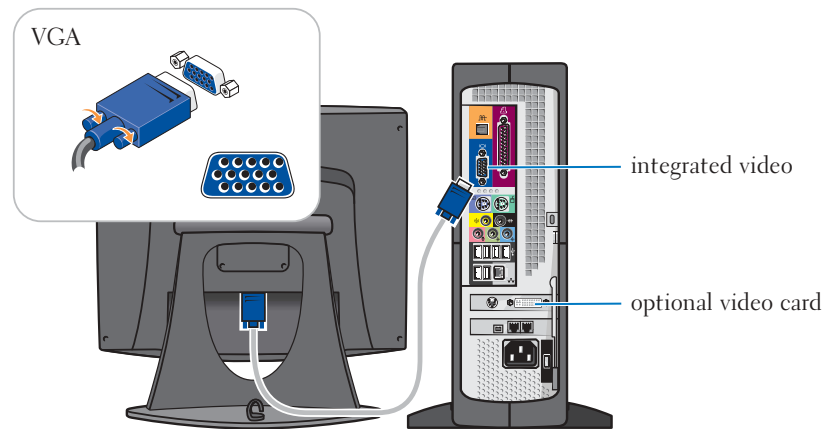

⚠ **CAUTION:**
Before you set up and operate your Dell™ computer, read and
follow the safety instructions in your *Owner's Manual*.
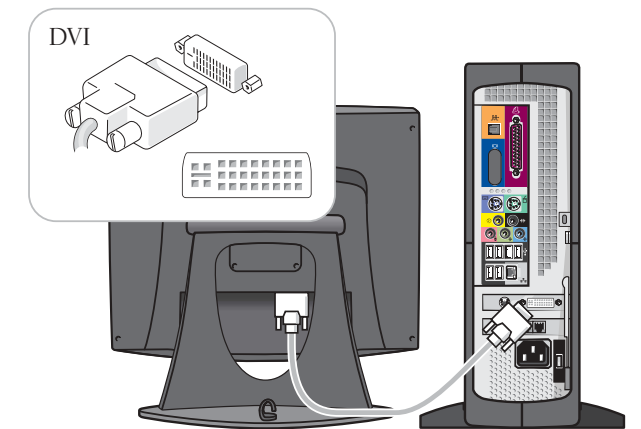

VGA

integrated video
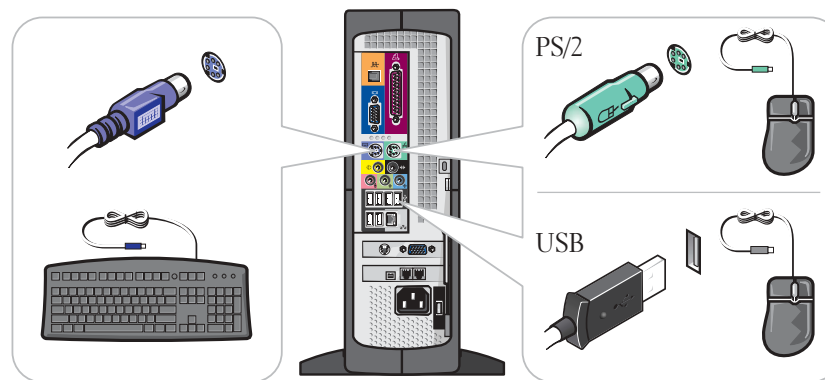

optional video card

① Options for connecting the monitor - VGA→VGA
If your monitor has a VGA connector and the optional video
card is not present, connect your monitor to the integrated
video connector.

adapter

VGA→DVI
If your monitor has a VGA connector and the optional video card
is present, connect your monitor to the optional video card
connector using the DVI adapter (included).

DVI

DVI→DVI
If your monitor has a DVI connector, connect your monitor to the
optional video card connector.

②

①

④

③

⑤

See your *Owner's Manual* for instructions on attaching the stand.
The screw is attached to the bottom of the stand.
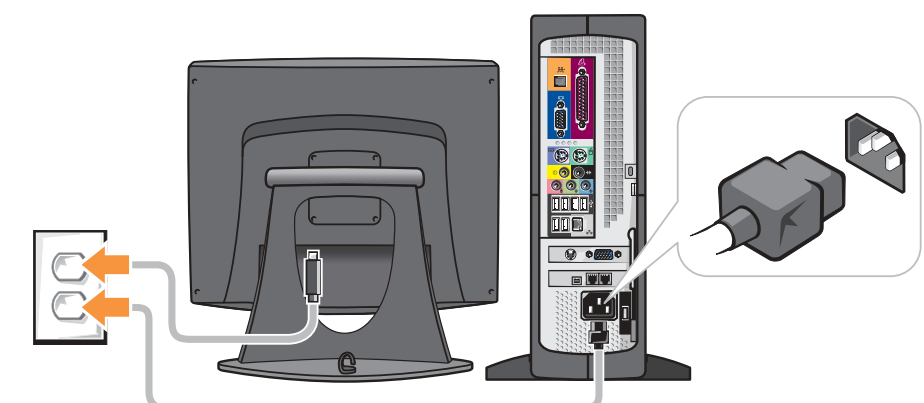

PS/2

USB

② Connect a keyboard and a mouse.

**③ If you have a modem, connect a telephone cable to either of the modem
connectors (not all modems have two connectors).**

**④ If you have a network device, connect a network cable to the
network connector.**

**⑤ Connect the computer and monitor to electrical outlets.**

Set Up Other Devices Last

6 Turn on the computer and monitor.

Connect other devices according to their documentation.

Open the door for:

1. IEEE 1394 option
Connect devices such as digital cameras to the IEEE 1394 connector.

2. CD or DVD drive
Play CD or DVD discs in this drive.

3. PC Card option
Connect certain types of PC Cards in this slot.

4. Front USB 2.0 connectors (2)
Connect accessories, such as game controllers and digital cameras, to these USB connectors.

5. Headphone connector
Plug headphones into this connector. Doing so disables sound from your speakers.

Help and Support

See your *Owner's Manual* for additional setup instructions, including how to connect a printer.

To access support and educational tools, double-click the **Dell Solution Center** icon on the Microsoft® Windows® desktop. You can also access Dell through **support.dell.com**.

For additional information about your computer, click the **Start** button and click **Help and Support**:

• To access the *Tell Me How* help file, click **User and system guides**, click **User's guides**, and then click **Tell Me How**.

• For help with the Windows operating system, click **Microsoft Windows XP Tips**.
