# Dell Web Management for Monitors

This monitor comes with networking capability which lets you remotely access and change settings such as Input Source Selection, Brightness and Volume.

Before accessing the Dell Monitor Web Management feature, ensure that you have a working Ethernet cable connected to the RJ45 port at the rear of the monitor.

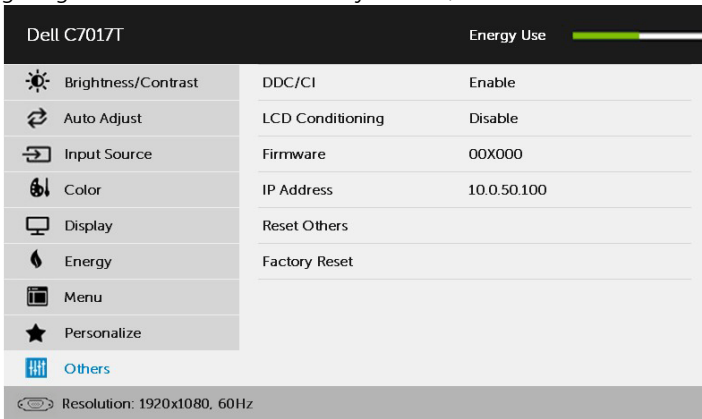

- **Ethernet Enable**

Press and hold the Button 1 and Button 3 on the front panel for 3 seconds to turn on , A network icon ⌗ appears and is shown on Top - left corner for 5 seconds .
- **Ethernet Disable**

Press and hold the Button 1 and Button 3 on the front panel for 3 seconds to turn off , A network icon ⌗ appears and is shown on Top - left corner for 5 seconds .

To access the Dell Monitor Web Management tool you need to set the IP Addresses for your computer and the monitor.

1. Press the **Menu** key on the remote control to display the IP Address of the monitor, or by navigating to OSD Menu > **Others**. By default, the IP Address is 10.0.50.100

2. In the computer's IP Properties tab, specify an IP Address by selecting Use the following IP Address and enter the following values: For IP Address: 10.0.50.101 and for Subnet Mask: 255.0.0.0 (leave all other entries as blanks).

**3.** The IP Address configuration would now look like this:

Configure notebook IP Address to 10.0.50.101

Monitor IP Address 10.0.50.100

To access and use the web management tool, follow these steps:

1. Open a web browser and type the monitor's IP Address (10.0.50.100) in the address bar.
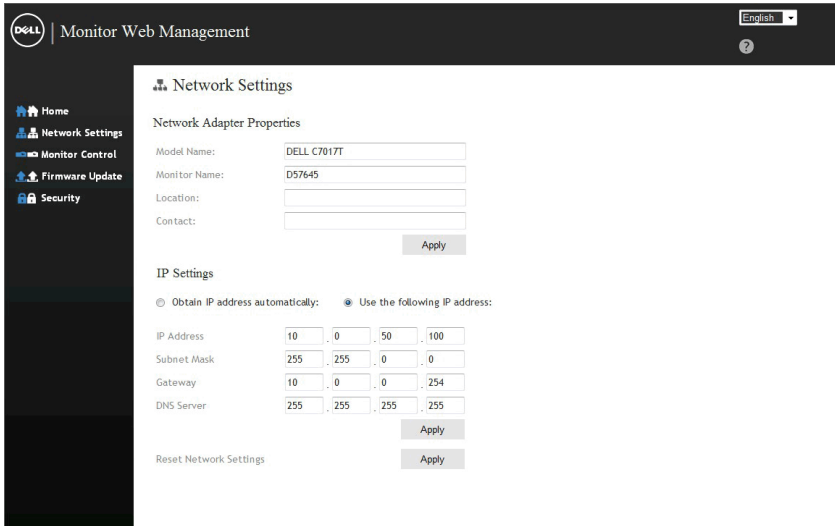

**2.** The log-in page opens. Enter the Administrator Password to continue.

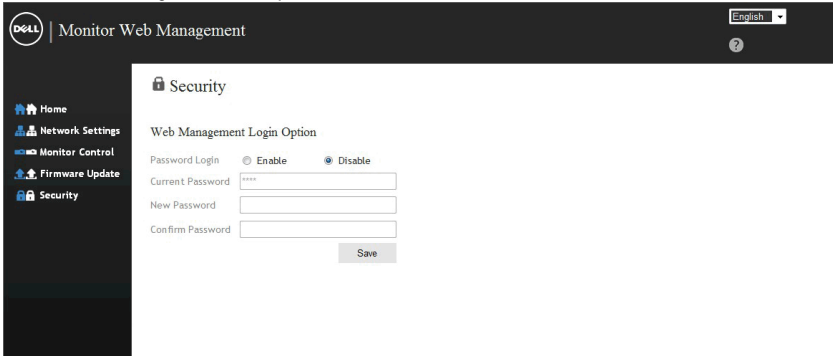

3. The **Home** page opens:

4. Click **Network Settings** tab to see the network settings.

5. Click **Monitor Control** to see the monitor's status. It takes about 3 to 5 mins for the monitor information to be updated on the Web Management.

6. Click **Security** to set a password.

7. Update **Firmware** for your monitor's network card. You can download the latest network firmware, if available, from the Dell Support website at **www.dell.com/support**.
