Important Notes

Known Issues and Resolutions

Issue: OMSA Vendor change with message “this requirement cannot be provided”

Description: When OMSA is newly installed by using, “zypper install srvadmin-all “on an SLES Systems, the following message is displayed.

“This requirement cannot be provided”. This may require a change of vendor from SUSE to Dell, which is indicated by the following message:

Choose from the above solutions by number or cancel [1/2/3/c] (c):

Resolution: Select the option in your environment that allows you to install the package with vendor change. (Usually option 1)

Contacting Dell

* **NOTE:** If you do not have an active Internet connection, you can find contact information on your purchase invoice, packing slip, bill, or Dell product catalog.

Dell provides several online and telephone-based support and service options. Availability varies by country and product, and some services may not be available in your area. To contact Dell for sales, technical support, or customer service issues:

1. Go to **support.dell.com**.
2. Select the Support category.

3. If you are not a U.S. customer, choose your country code at the bottom of the support.dell.com page, or select **All** to see more choices.
4. Select the appropriate service or support link based on your need.

For more information on documentation support, go to www.dell.com/support/manuals. On the Manuals page, click Software>Systems Management. To view documents, click the document title in the left pane.

For more information on technical support, go to www.dell.com/contactus.
