

SUSE Linux Enterprise Server 11 SP3 — Tech Sheet

This Tech Sheet provides information regarding a technical limitation of Server Administrator 7.3 on SUSE Linux Enterprise Server 11 SP3 (SLES 11 SP3) operating system.

Limitation

Due to technical limitations system inventory data is unavailable on SLES 11 SP3 (64-bit) operating system.

Description

The Inventory Collector on Server Administrator 7.3 fails to run on SLES 11 SP3 (64-bit) operating system. Due to this failure the inventory data on the system is inaccessible/unavailable.
