

Dell PowerEdge FC430

Getting started with your system

- WARNING:** Before setting up your system, review and follow the safety instructions that shipped with the system.
- NOTE:** The documentation set for your system is available at dell.com/poweredgemanuals. Always check for updates and read the updates first because they often supersede information in other documents.
- NOTE:** Ensure that the operating system is installed before installing hardware or software not purchased with the system. For more information on supported operating systems, see dell.com/ossupport.
- NOTE:** For information on setting up the enclosure, see *Dell PowerEdge FX2 Getting started with your system*.
